Health & Wellness: The Purpose-Driven Consumer

Table of Contents

Chapter 1 – Executive Summary: The Health & Wellness-Driven Consumer	1
• Mainstreaming of Health and Nutrition	1
• A Healthy Demographic Re-direction	2
• Strategies for Healthy Eating	3
• Avoidance of Harmful Ingredients	3
• Positive Eating	4
• Better-for-You to Specific-Benefit-for-Me Foods	5
• Ethical Descriptors	5
• Window of Opportunity for Prepared Foods	6
Chapter 2 – Research Overview	7
• Study Objectives	7
• Methodology.....	7
• Consumer Survey	7
• Statistical Reliability	7
• Respondent Demographics.....	8
Chapter 3 – The Mainstreaming of Health & Wellness.....	9
• Health Drives Most Successful New U.S. Products	9
• Health Strengthens as Food Purchase Mega-Factor	9
• Health is a Major Driver for Global Food Industry	11
Chapter 4 – The Health-Conscious Consumer.....	13
• Who are the Health and Nutrition-Concerned Shoppers?.....	13
• Frequent Dairy, Deli, Bakery Shopper Concerns About Health.....	14
• Strong Belief in Diet’s Impact on Health.....	14
• Consumer Perceptions: Healthfulness of Their Diet	16
• Still Room for Improvement.....	16
• Making an Effort to Eat Healthier	16
• Barriers to Healthy Eating	17
• Sources of Information	17
• Global Movement to Eat Healthier	18

Chapter 5 – Demographic Shifts: Healthy Eating Interest Increases With Age	19
• Suddenly Senior.....	19
• Most Likely to be Trying to Control Diet for Health.....	19
• Number-One Balanced Eater.....	21
• Condition-Specific Products.....	21
Chapter 6 – Gen Yers: Getting the Health Message	23
• Food Selection Criteria.....	23
• First to Try New Healthy Foods/Beverages.....	23
• Number-One Functional Food Buyer.....	24
• Interest in Fresh, Natural Foods.....	24
• Younger Consumers Are the Top Healthy Snackers.....	24
• Seeking Energy.....	24
• Gen Y Concern about Specific Health Conditions.....	25
• A Healthy Take-out Target?.....	25
Chapter 7 – Healthy Eating: Kids and Families	26
• Families Eating Healthier.....	26
• Healthy Eating Strategies.....	26
• Moms’ Concerns.....	27
• Foods Parents Purchased More/Less Often in Past Three Months.....	27
• Parents’ Snacking Strategy for Their Children.....	28
• Fortified and Functional.....	28
• Moms Prefer Organic for Kids.....	28
• Children and Obesity and other Risk Factors.....	29
• Healthy Take-out and Kids’ Meals.....	29
• Stores Address Eating Right for Kids.....	30
Chapter 8 – “He Said, She Said” Gender and Nutrition	31
• Preventive Behavior.....	31
• Healthy Food Behaviors.....	31
• Healthy Snacking – Gender.....	32
• Fruits, Vegetables and Salads Show Strong Female Skew.....	32
• How Men and Women Determine a Food is Healthy.....	32
• In-Store Shopping Behaviors/Attitudes.....	32
• Sources of Health and Nutrition Information Differ by Gender.....	33
• Health Concerns by Gender.....	33
Chapter 9 – Hispanics: Health and Nutrition	34
• Strong Market Potential.....	34
• Hispanics: Keen on Healthy Eating.....	34
• Hispanics Have Strong Interest in Fresh, Natural and Organic.....	34
• Hispanic High-Index Food Categories.....	35
• Fruit and Vegetable Consumption High Among Hispanics.....	35
• Hispanics and Snacking.....	35
• Tempting for Take-Out?.....	36
• Hispanic In-Home Food Preferences.....	36
• Power Snacks and Lunches Have Strong Interest Among Hispanics.....	37
• Health Concerns Among Hispanics.....	37

Chapter 10 – Health Status and Concerns	38
• Health Status.....	38
• Prevention-Driven Lifestyle	38
• Shopping for Health	38
• Concerns About Health	39
• Heart-Health Concerns	40
• Weight & Weight Loss	41
• Dieters.....	41
• Cancer.....	42
• Diabetes	42
• Digestive Problems	43
• Immunity.....	43
• Energy.....	43
• Osteoporosis.....	44
• Allergies	44
Chapter 11 – Strategies and Practices: Healthier Eating	46
• The Balancing Act	46
• Dairy, Deli, and Bakery Shoppers & Balance.....	46
• Add-Ins and Avoids	47
• Portion Size.....	48
• Portion Size and Dairy, Deli, and Bakery Shoppers.....	48
• Eating at Home, New Healthier Eating Strategy	48
• Controlling Diet.....	49
• Incorporating Healthier Foods into Diet.....	49
• Healthy Eating by Daypart	50
Chapter 12 – Fat, Calorie, Sugar, Sodium and Carbohydrate Avoidance Behaviors	51
• Reduced Calorie/Fat Lead Health Claims, Most Successful New Products	51
• Ingredients Most Checked on Labels.....	52
• Fats: Changing Priorities.....	53
• Demographics of Shoppers Concerned About Fats.....	53
• Type and Amount of Fat.....	53
• Low Fat and Families.....	54
• Fat Restricted Diets.....	54
• Dairy, Deli and Bakery Shoppers and Fat.....	54
• Calories	55
• Counting Calories.....	55
• Restaurants and Calories.....	56
• Concern about Calories among Dairy, Deli and Bakery Shoppers.....	56
• Importance of Calories among Dairy, Deli and Bakery Shoppers by Demographics	56
• Low and Reduced Sugar.....	56
• Concerns for Type of Sugars.....	57
• Lower Sugar & Sugar-Free Purchase Motivators	57
• Low-Sugar Diet	57
• Concern about Sugar among Dairy, Deli and Bakery Shoppers	57
• Importance of Reduced Sugar Claim among Dairy, Deli and Bakery Shoppers by Demographics	57
• Low Carb.....	58
• No/Low Salt and Reduced Sodium	59
• Low Salt Diet.....	59
• Sodium and Dairy, Deli and Bakery Shoppers	59
• Importance of Reduced Sodium Claim among Dairy, Deli and Bakery Shoppers.....	59

Chapter 13 – Avoidance Products or Ingredients	61
• Consumer Perception of Health Risks	61
• Antibiotic and Hormone-free	61
• Hormones/Antibiotics and Dairy, Deli and Bakery Shoppers	62
• Demographics of Concern for Hormones/Antibiotics	62
• Moms and Antibiotics and Hormones.....	62
• Sales of Antibiotic/Hormone Free.....	63
• New Antibiotic/Hormone Free Product Introductions	63
• Hormones/Antibiotics & the Menu	64
• Global Concerns: Antibiotics/Hormones.....	64
• Hormones & Dairy Foods.....	64
• BST	64
• Additives/Preservatives.....	65
• Additives and Preservatives and Dairy, Deli and Bakery Shoppers.....	65
• Demographics of Concern for Additives/Preservatives in the Dairy, Deli and Bakery Departments	65
• Sales of No Additive/Preservative Foods	66
• New No Additive/Preservative Product Introductions	66
• Global Concern Food Additives.....	66
• Genetically Modified Organisms	67
• Demographics of Concern for GMOs	67
• Sales of No GMO Foods	68
• Non-GMO Movement	68
• Global GMO Product Introductions	68
• Allergies and Intolerances	68
• New Allergy-Free Product Introductions.....	69
• Gluten.....	69
• Gluten-Free and Dairy, Deli and Bakery Shoppers	69
• Sales of Gluten-Free Foods	69
• New Gluten-Free Product Introductions.....	70
• Restaurants & Gluten.....	70
• New Definition of Gluten-Free	70
• Lactose Intolerance.....	70
• Lactose-, Gluten- and Allergen-Free and Dairy, Deli and Bakery Shoppers	70
• Sales of Lactose-Free Products.....	71
• New Lactose-Free Product Introductions.....	71
Chapter 14 – Organic and Natural Foods.....	72
• Defining Natural and Organic.....	72
• Natural and Organic Market Overview	72
• Market Size and Sales of Organic.....	72
• Largest Organic Categories	73
• Sales in 2008 So Far.....	73
• Organic and Cost	74
• Buying Organics in 2008	74
• Who’s Buying Organic and Natural Foods	75
• Demographics of Natural and Organic.....	75
• Moms and Organic.....	75
• Importance of Natural vs. Organic When Purchasing Foods	75
• Dairy, Deli and Bakery & Organic/Natural	76
• Consumer Confusion: Natural vs. Organic.....	76
• Trust in Organic.....	77
• New Products: Natural/Organic.....	77
• Organic and the Menu.....	78

- Take-out, Restaurants & Organic 78
- Going Organic Gets Global 78

- Chapter 15 – Positive Eating 79**
 - Fresh is Best! 79
 - Freshness & Dairy, Deli and Bakery Shoppers 79
 - Demographics: Freshness & Sell-by/Use-by Dates 79
 - Retailers and Fresh 80
 - Fresh on the Menu 80
 - Foods Most Added in the Name of Health 81
 - Whole Grains and High-Fiber 81
 - Dairy, Deli and Bakery Shoppers 82
 - Demographics of Concern about Whole Grains 82
 - Sales of Whole Grain Foods 82
 - New Whole Grain Product Introductions 82
 - Whole Grains: Going Global 83
 - Naturally Functional Superfoods 84
 - Awareness & Believability: Phyto-Health Linkages High 84
 - Superfruit Sales 84
 - New Superfruit Product Introductions 85
 - Superfruits and the Menu 85

- Chapter 16 – Fortified Foods 86**
 - Demographics Most Interested in Added Nutrition in Dairy, Deli and Bakery Departments 87
 - Awareness and Importance of Key Health Enhancing Ingredient Claims and Terms among Dairy, Deli and Bakery Shoppers 87
 - Most Sought After Nutrients 88
 - Calcium 88
 - Antioxidants 89
 - Omega-3s 89
 - Protein 90
 - Vitamin D 90
 - Fortified Claims 90
 - International Fortification Claims 91

- Chapter 17 – Functional Foods 92**
 - From Better-for-You to Specific Benefits-for-Me 92
 - Demographics of Functional Food Users 92
 - Functional Foods Sales 93
 - Condition-Specific Foods and Beverages 94
 - Functional Foods with Heart-Health Claims 95
 - Bone Health/Osteoporosis 95
 - Arthritis 96
 - Diabetes 96
 - Digestion and Probiotics 96
 - Weight 97
 - Lifestyle Markets 98
 - Energy & Vitality 98
 - Mental Performance 98
 - Eyesight and Vision 99
 - Beauty 99
 - Teeth and Periodontal Issues 99
 - Global Functional Foods 99

Chapter 18 – The New Ethics.....	100
• Awareness Key Ethical Terms.....	100
• Demographics of Buyers of Food with Ethical Claims	101
• New Product Introductions	101
• Locally-Raised/Grown	102
• “Locally-Grown” Taking a Bite Out of Organic Foods?	103
• Local vs. Organic in Restaurants	104
• Wal-Mart.....	104
• “Farm-Raised”	104
• Certified Humane	105
• Ethical Claim Symbols	105
• Meat	105
• Cage-free and Free-Range	105
• Grass- or Vegetarian-Fed.....	106
• Certified Vegan.....	106
• Kosher.....	106
• Halal	107
• Fair Trade.....	107
Chapter 19 – Health Drives Opportunity for Retail Prepared Meal Solutions and Snacks.....	109
• Consumer Cut Back on Restaurants.....	109
• Ordering Healthier in Restaurants: Retailers Getting the Takeout Nod.....	110
• Shifting Sources for Prepared Meals	110
• Demographics: Supermarket Take-out.....	111
• Convenience and Price Make Retail Meals More Appealing	112
• What Shoppers Are Buying and What They Want More Of	112
• Importance of Healthfulness in Prepared Meals	112
• New Daypart Opportunities	114
• Snacks	114
• Breakfast	115
• Lunch	115
• Late Night.....	116
Chapter 20 – Healthy Opportunities in the Deli Department	117
• Health Impacts Deli Sales	117
• Consumers Making Healthy Changes in the Deli.....	117
• Deli Meats and Cheeses	118
• Cheese	119
• Deli Sandwiches.....	119
• Healthier Appetizers and Snacks	120
• Soup.....	122
• Prepared Meals.....	123
• In-Store Bistros, Cafes, Restaurants.....	124
• The Big Opportunities for the Deli Department	124
• Healthy Snacks	126
• Healthier Take-out	126
• Healthy Kids Meals and Snacks.....	127
• Healthy Sandwiches.....	127
• Healthier Party Platters	127
• Make Use of the Term Fresh.....	128

Chapter 21 – Healthy Opportunities in the Bakery Department 129

- Health Impacts Bakery Sales 130
- Consumers Making Healthy Changes in the Bakery 131
- Portion Size 132
- Ingredient Focus 132
- The Big Opportunities for Fresh Bakery 133
- In-Store Bakery Café 133
- Healthy Kids Snacks from the Bakery 135
- Fresh-Baked Versions of Popular Snacks for Adults 135
- Fresh Healthier Versions of Trendy Restaurant Breads and Buns 135
- Healthy Cookie Counter or Healthy Bake Shop 135

Chapter 22 – Healthy Opportunities in the Dairy Department 136

- Items Purchased in the Dairy 136
- Yogurt 137
- Soy 138
- Specialty eggs 138
- Opportunities 138
- Fortification Concepts 138
- Digestive Health 139
- Dairy's Roll in the War on Weight 139
- Daily Shots 140
- Functional Dairy 140
- Addition of Other Healthy Ingredients and Flavors 140

Chapter 23 – Healthy Actions and Opportunities at Retail 141

- Where People Shop 141
- Shoppers' Concern about Health Differs By Retail Channel 141
- Promoting Health & Wellness to Consumers 142
- Changing Store Formats 142
- In Store Nutrition Rating Systems 143
- Product Nutrition Rating Systems 143
- Focus on Natural, Organic, Local and Sustainable 144
- Healthy Promotions and Communications 144
- In-Store Resources 144
- Store Websites 145
- Focus on Health Conditions and Concerns 146
- Focus on Kids 146
- Focus on Hispanics 147
- Supermarket Role in Improving Health 147
