

Email Marketing Powered by SWAP Reach

Introducing Email Marketing Powered by SWAP Reach. This powerful tool allows exhibitors to engage with their audience **ahead** of the show with strategically timed eblasts that build brand awareness and position themselves top-of-mind as attendees plan their booth visits.

EMAIL MARKETING INCLUSIONS

1. Email Design

- Selection of email design templates (mobile-friendly)
- Company branding (logos, colors, fonts)
- Visuals (images, graphics, icons)
- Call-to-action (CTA) button design
- Review & approval of final design

2. Content

- Subject line development
- Email copywriting (introduction, key highlights)
- Products/services descriptions
- Links (exhibitor website, trade show website, etc.)
- Proofreading and editing

3. Target Segment

- Selection of target list
- Personalization tags
- Schedule send date & time

4. Testing

- Link function testing
- Spam filter check

5. Distribution

- Email send to targeted list(s)
- Delivery confirmation
- Address bounces and unsubscribes

6. Post-Send Analytics

- Total number of emails sent
- Total number of emails opened
- Unique number of emails opened
- Time of day emails were opened in the first 24 hours
- Total number emails opened each day in the first 5 days

cold, smooth & tasty.
MACI & LOU BREWING

Meet with Latte experts at booth #1234 and attend our Brewing session!

Bean Week
November 4th - November 8th
Fenton, MO

We are eagerly anticipating this year's Bean Week, as leading contributors of sustainable sourcing and producers of Natural Fertilizer that supports the change towards a new era of cultivation and bean stewardship.

Maci&Lou Brewing represent more than just a product – it's a pledge and an investment in the sustainability of coffee bean farming. Land isn't just an asset; it's a legacy entrusted to future generations. Join the Bean movement today and ensure a flourishing legacy for tomorrow.

Jane Doe, Founder and Expert in Sustainable Sourcing Bean Science
