

UNLOCK OPPORTUNITIES FOR PROFESSIONAL GROWTH!

IDDBA is dedicated to empowering people to navigate their paths towards success. Whether you're at the beginning of your career journey or seeking to explore new opportunities, IDDBA is here to support and inspire your professional growth.

PROFESSIONAL DEVELOPMENT SCHOLARSHIP

Offered exclusively to member company employees seeking career advancement training.

What are the requirements?

- ▶ Not be enrolled in a degree program
- ▶ Complete course with a grade of C or above or provide a certificate of completion
- ▶ Application received within six months of the completion of the course
- ▶ A short personal statement

Reimburse up to \$500 per course, and a maximum of \$1,000 annually (year runs Jan. 1 - Dec. 31).

Scholarship for Growing the Future

The Scholarship for Growing the Future is for current students pursuing a post-high school degree that work for an IDDBA member company.

How do I apply?

- ▶ Submit your application, essay, and letter of recommendation between Aug. 11 - Oct. 31 for the fall semester, or between April 1 - June 15 for the spring semester.
- ▶ Essay topic (max 500 words): With over 22 million agriculture and food-related jobs, the industry offers countless career paths, from veterinarians and livestock specialists to logisticians and contract lawyers. Explore a food-industry career that interests you and explain how your education is preparing you for it.

Eligible employees may receive up to \$2,000 towards tuition per year.

FOOD SAFETY CERTIFICATION REIMBURSEMENT

Up to \$2,000 reimbursement for certification exams for member retail companies.

Eligible employees may receive up to \$2,000 towards tuition per year.
