

OUR TOP PRIORITY IS THE SAFETY OF OUR SHOW EXHIBITORS, ATTENDEES, PARTNERS AND STAFF. WE ARE FOLLOWING CDC RECOMMENDATIONS AND STATE PUBLIC HEALTH GUIDELINES AS THEY DEVELOP.

Here are some of the health and safety practices we are implementing at IDDDBA 2021:

Motion sensitive FloWater bottle refilling stations with foot pedals

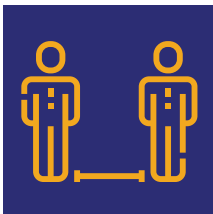

Implement mask use as mandated at the time of the show

State of the art disinfection program including electrostatic equipment

Maintaining one-way traffic patterns

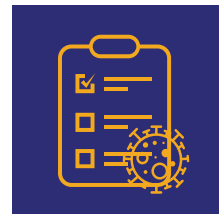

Maintaining social distancing guidelines

Reduced contact and disinfection of counters at registration areas

Increased hand sanitizers on the show floor

Working with the George R Brown on Covid-19 procedures
